\*Actual prize may differ from image shown.

# Rules and Regulations

## Photo Subject Categories are:

- ① Photographs taken at the Museum by adults
- ② Photographs taken at the Museum by Children 12 years and under

- All photos must be taken on the Canada Agriculture Museum site and taken from areas accessible to the public. It is prohibited to enter animal pens or go behind exhibition barriers. Photos must be taken between June 15, 2010 and the contest submission deadline of October 31, 2010.
- Judging is based on picture clarity, originality, creativity and technical composition.
- Only high quality photograph prints, digital photos on CD or digital photos sent by email in JPEG format will be accepted. Digital photos may not be altered using computer software (digital cropping, resizing, sharpening and, brightness & contrast adjustments are permitted). Any photos that are judged to be altered will be disqualified. Colour, black and white as well as sepia-tone photographs are accepted but must be originally taken in that format.
- The maximum number of photographs per entrant is three.
- All entries must be taken by a Canada Science and Technology Museums Corporation (CSTMC) Member.
- All entries must be taken by an amateur photographer. An amateur is deemed to be a person who does not make a living selling or taking photographs and whose photographs are not published professionally on a regular basis.
- Employees of the CSTMC and their immediate families are not eligible to enter the contest.
- If submitted by email, the total file size must not exceed 2.5 mb to ensure reception of the email. The email must include the photographer's name, phone number, membership number and age (if 12 years and under). If submitted by CD, digital photos must be submitted on a CD in a jewel case, the CD face clearly marked with photographer's name, phone number, membership number and age (if 12 years and under). Prints must be clearly marked on the back of the photograph with photographer's name, phone number, membership number and age (if 12 years and under).
- **Participants must retain their original digital files as they will be requested to submit a high resolution copy if they are considered as winners for development and publication purposes.** The high resolution file cannot be sent during the contest period if it is sent by email with a total file size exceeding 2.5 mb. Original files totalling more than 2.5 mb must be submitted by CD. A winning photo for which the original high resolution file cannot be received will be disqualified.
- All photographs submitted become the property of the CSTMC and will not be returned. The photographer grants the right to the Museum to publish the photograph without further approval, compensation or credit, and to use the image in any promotional material.
- Photos which include a person must be accompanied by a waiver from the person in the photograph (or a guardian), stating that the CSTMC has permission to use the image. Waiver forms will be provided by the Museum.
- Email entries to be sent to [photo@technomuses.ca](mailto:photo@technomuses.ca). Mail entries to be sent to Photography Competition, Canada Agriculture Museum, P.O. Box 9724, Station T, Ottawa ON K1G 5A3, or dropped off at the Admissions Booth of the Canada Agriculture Museum, Prince of Wales Drive.
- The CSTMC will not be responsible for damage or loss of entries incurred while in transit or in our possession, although every reasonable care will be taken with each entry. The CSTMC will not be responsible for emails sent by participants but not received by the Museum.
