

Come enjoy the fun-filled atmosphere at the fourth annual ***Baskets with Panache!*** fundraiser, taking place **June 16, 2010** at the **Canada Agriculture Museum**. Mingle amongst the other guests in our historic barn and get wrapped up in the thrill and excitement of bidding on the one-of-a-kind live and silent auction items. Journey back in time thanks to the ambient decor as our heritage designated barn is transformed to a 1900's country fair theme.

***Baskets with Panache!*** is a remarkable new fundraiser which enables children with financial challenges in our community to take part in the excellent school and day camp programs offered at the Canada Agriculture Museum. These children, who would otherwise not have the opportunity, learn for themselves where our food comes from and why agriculture is so important to our daily lives.

All of the exciting details can be found on the reverse.

Your \$500 contribution will **fund a Museum field trip for 30 deserving children, including bus transportation**. You will also receive two tickets to the ***Baskets with Panache!*** event and a tax receipt for \$350—tickets for this exclusive event are limited to just 150, so order yours today to avoid disappointment.

Thanks for your support,

*Wally Parsons*
